WINE MAKING NOTES

Vines planted in weathered granite topsoil on a layer of gravel, above a crumbly clay sub-soil. Yield of 5 tons per hectare. The five cultivars were vinified and aged separately in small French oak barrels for 28 months, personally selected by the winemaker and then blended together.

Handcrafted by a family whose lifeblood is wine, the Steytler Range is the culmination of the estate's best wines in only exceptional vintages. Tradition and 4 generations of Steytler passion forge these wines.

TASTING NOTES

A muscular Bordeaux style blend that exudes power and concentration, tied up in a structure of fine grained tannin and bright acidity that not only promises extensive evolution, but also entices with every visit to the glass. Brooding dark fruit tightly packed in an intricate frame are delivered with great purity and finesse.

FOOD PAIRING

Slow roasted lamb with rosemary.

AGING RECOMMENDATIONS

15 years maturation should greatly reward with complexity and elegance.

ABOUT THE WINERY

The name "Kaapzicht" (Cape View) comes from the fantastic view this winery has over Cape Town and Table Mountain.

Since the first vintage was bottled in 1984, Kaapzicht has become highly respected for both quality and value, having earned a multitude of local and international awards. The Steytler Family has been running their 190 hectare large estate hands-on for three generations: Brothers Danie and George are winemaker and viticulturist, respectively, and their wives are in charge of marketing and finances, as well hiring out a venue and a self-catering cottage. Son, Danie Junior, assumed responsibilities as winemaker in 2009 as the family tradition lives on.
