

ATARAXIA

SERENITY

This is a truly South African blend of cool climate Pinotage and its parent grape varieties, pinot noir, cinsault. However, the emphasis of this blend remains entirely on style, the varietals are merely vehicles to express the place they come from. A vibrant nose with hints of red berry fruit and intriguing mineral and spicy notes. Mouth-watering and polished grape tannins are wrapped in an elegant structure that subtly occupies all corners of one's palate.

PAIR WITH

Short Ribs • Poultry • Lamb
