BABYLONSTOREN

★★★ EXCELLENT!

## BABEL RED

"Shiraz (syrah) and cabernet sauvignon are about half of this delicious red blend, with the rest malbec, petit verdot, merlot, cabernet franc and pinotage. Pinotage is a South African signature, but the recipe otherwise follows no convention. Bright fruit, bracing acidity and a nice long finish make this a great wine for red meat or grilled chicken." - Dave McIntyre, *Washington Post*
