WINE MAKING NOTES

Manual harvest of the best grapes and foot treading in granite presses. Destemming and crushing with 100% of the destemmed grapes. Post fermentation maceration 1 to 2 days. Aging for 12 months in used French oak barrels and a minimum of 12 months in bottle.

TASTING NOTES

The aroma reveals balsamic notes of oak wood, very ripe red fruits and violet. In the mouth it is concentrated, with a long and fresh finish.

As a natural product, wine is subject to deposit with age. Serve with care.

ABOUT THE WINERY

Owned by the Fortunato family, Quinta da Devesa is a small 34 hectare winery in the Cima Corgo sub region of the Douro Valley. The winery has been dedicated to the production of Douro and Port wine since 1941. The vineyards range in elevation from 500 to 600 meters, part south-facing, with excellent sun exposure, and part north-facing where it receives cooler prevailing winds.

The vineyards are managed under a minimum intervention system known as "Integrated Production," focusing on prevention of pests and disease rather than spraying once infected. This way, the vineyards provide a healthy habitat for birds, reptiles and mammals, ensuring adequate biodiversity and a balanced, sustainable environment.
